Art Unit: 2859

**Examiner Statement of Reasons for Allowance**

1. The following is an examiner's statement of reasons for allowance: Claims 1-14 are allowed because the prior art fail to teach a method of determining an internal temperature estimate of a vehicle battery comprising determining a transfer function of airflow, determining an integration function of the transfer function of the airflow, updating a current internal temperature of the battery based on the integration function and an initial internal temperature, in combination with the remaining limitations of claims 1-14.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

**Conclusion**

2. The prior art made of record and not relied upon is considered pertinent to applicant's disclosure. The prior art cited in the PTO-892 and not mentioned above disclose related devices and methods.

Any inquiry concerning this communication should be directed to the Examiner Verbitsky who can be reached at (571) 272-2253 Monday through Friday 8:00 to 4:00 ET.
